**29 November – 2 December 2010**

**Resort World (Genting)**

**Genting International Convention Centre (GICC)**

Brass Academy Pte Ltd will be organising the inaugural Genting Highlands International Music and Cultural Festival in Resort World (Genting Highlands). This festival will bring together bands from around the world with an opportunity for cultural exchange and a platform for bands to compete and be exposed to international standings.

Located at 6,118 feet above sea-level, Resorts World (Genting) is Malaysia's premiere integrated highlands resort destination. Amidst the revitalizing cool air, Genting Highlands combines a state of the art convention centre with fun-filled attractions, world-class entertainment and shopping experience.

The official hotel is also adjacent to First World Plaza, which boasts 500,000 sq feet of indoor theme park, shopping centre and food galore

The Outdoor Theme Park showcases a thrilling variety of exhilarating rides including four roller coasters. Those taking refuge from the cold mountain air may opt for the indoor rides and attractions. With more than 50 fun rides to choose from, you can be sure there's no time for one dull moment in Genting - City of Entertainment.

An experience not to be missed, we cordially invite you to join us in this special event.
